Your Support Is Needed

The planning committee is excitedly preparing for “A Christmas to Remember” 2023 and needs dedicated partners, like you, who wish to help make the event a bigger and better celebration. “A Christmas to Remember” 2023 will be a fun filled day with games, bounce houses, a petting zoo, music, food and gift giveaway. It will be one of the best events of the year for Flagler County children and youth who are in foster homes, group homes and under dependency court supervision. In addition, the economic crisis of 2023 has left many families wondering how they will provide Christmas for their children; **A Christmas To Remember** is here to make this holiday season a joyous occasion for families in need in Flagler County. This year we are preparing for 375 children and youth from families in need residing in Flagler County. However, we must rely on the financial support, sponsorships, and donations from the community. We are asking that you take part this year in elevating the event to exceed previous years events. These are some awesome kids who need you to make a difference in their Christmas celebration.

Ways you can help make a difference:

- Become a Sponsor or Contributor
- Provide new unwrapped toys and games
- Provide gift cards
- Provide new clothing for children of all ages
- Provide holiday decorations
- Provide food for the event
- Provide entertainment for the event
- Volunteer to serve as guides, host and hostess
- Volunteer for decorating and clean-up

...And so much more!

Make a Difference!
